Postponement of the 12th Advanced Team Physician Course

Dear Delegates and Guests,

We hope you and your families are doing well.

Given the current situation of the COVID-19 pandemic, we had to replan the 12th Advanced Team Physician Course, originally rescheduled to take place in Budapest, Hungary, from 19 to 21 April 2021.

The Organising and Scientific Committees have found a date later this year, but this also means we have to change the host city of the Course. The Course will now take place from 1 to 3 November 2021 in Istanbul, Turkey.

More information will follow via a direct email to all delegates and speakers, and on the conference website as soon as available.

Many thanks for your understanding, and we look forward to seeing you all in Istanbul in November.

Yours sincerely,

Richard Budgett MD, OBE

IOC Medical & Scientific Director

Lars Engebretsen, MD PhD
